Quadrupartite meeting this morning agreed identical notes protest to USSR on actions in Berlin (NIACT 438 to Moscow) should be delivered by messenger at 10 a.m. Moscow time, Thursday, August 17, with publication same day 10 a.m. Washington time.

French reported their Government objected to wording in third
from last sentence of draft note, reading QTE taken in an area for
which the Soviet Government is responsible UNQUOTE. They pointed out
that technically the three Western Powers also have some
responsibility in the area. New wording approved by U.S. and
ad referendum by British here. Entire sentence now reads:
